

Illinois State University

Redbirds across the country

With more than 210,000 alumni across the United States, Illinois State University has a powerful network. Our alumni enrich the University and contribute to its mission. Whether it is providing internship opportunities for our students, business contacts, career guidance, or advice on adapting to a new city or country, our alumni are ready to connect with you.

Illinois State University also has several affinity alumni groups based on major and interest. To learn more about these groups or how to start one in your area, visit Alumni.IllinoisState.edu/Networks.
