Illinois State University Alumni Association
Awards Committee Report
9/14/2016

The Alumni Awards subcommittees reviewed nominations and made recommendations for award recipients during June and July 2016. Bios for the recommended recipients were compiled by University Marketing and Communication during August. These bios/recommendations were forwarded to Vice President Vickerman and President Dietz in September. Dr. Dietz enthusiastically approved the recommendations and expressed his appreciation to the committee members and the staff for their “good and hard work.” We are now in the process of contacting the recipients. Once all have been contacted and have accepted, the names will be announced. The Awards Dinner to acknowledge these award recipients will take place on Founders Day, February 16, 2017.

Executive Committee Meeting Minutes
May 19, 2016
5:30pm
Illinois State University Alumni Center

Alumni Association Mission: To support the University through the knowledge, skills, financial resources, and loyalty of its alumni; to communicate and interpret the University’s goals and achievements to others; and to promote a spirit of unity and loyalty among former students and friends.

Meeting Agenda

1. Call to Order ................................................................. Kaci Rollings
   Meeting was called to order by President Kaci Rollings at 5:30 p.m.
   Members Present: Bob Freitag, Linda Yap, Kaci Rollings, Kathy Murdoch, Michele Guadalupe, Doris Groves
   Members Absent: Bob Navarro, Tim Pantaleone

2. Approval of Minutes ......................................................... Michele Guadalupe
   Kaci Rollings presented the minutes of the February 18, 2016 meeting. Bob Freitag moved to approve minutes. Kathy Murdoch seconded. Motion approved.

   Rollings shared the financial report dated May 13, 2016. Freitag made the observation that alumni board seemed to be in the red in areas (mostly in awards). Groves explained that other areas will have extra (i.e. board development and Half Century) and this will be used to offset the additional Awards Program expenses.

4. President’s Report
   Rollings mentioned that the President’s Roundtable held immediately before the Half Century reception went very well with approximately 10 past presidents participating. There was consensus to continue offering the roundtable. Additionally, Half Century activities went well, along with Commencement. As President, Kaci closed out each graduation ceremony with remarks welcoming new graduates to the Alumni Association.

5. Executive Director’s Report ............................................... Doris Groves
   o There were over 100 participants at Half Century this year with around 60 participants from the Class of ’66. It was noted that past board member, Lynda Lane, was part of the ’66 class and planning committee.
   o Additional reunions including Preview, WZND, ROTC, Chemistry and Politics/Government were also successfully planned and implemented in April.
   o June/July will be busy months including Jane Lynch performing in Chicago on June 17th, the next board meeting on June 18th, a Normal Tradition in Chicago on June 22nd, Cornbelters on June 30th, Redbird Night @ Cubs on July 18th, Redbird Night @ White Sox on July 21st and Shakespeare on July 16th
Groves mentioned that the advocacy group made up of alumni directors from state universities will be meeting again in mid-July. As part of the meeting, they might invite alumni board members for an evening meeting. She will share additional information when it becomes available.

6. Continuing Business ................................................................. Kaci Rollings

Rollings asked Executive Committee members to participate in AA Scholarship donor acknowledgements. Groves will send a list of donors to each executive committee member, along with ISU thank you cards. In each hand written card, please share heartfelt thanks for their donation along with the news that selections were recently made for the scholarship. Please send notes by June 10.

7. New Business ............................................................................. Kaci Rollings

A. Approval of candidates for board, officers and executive committee
   a. Bob Navarro and Linda Yap will be stepping down from the Executive Committee. Bob Freitag has agreed to be on the Executive Committee another year. Doug Reeves and Alice Spann have been nominated to join the Executive Board as “At Large” members.
   b. Linda Yap moved to approve the candidates for officers and Executive Committee. Michele Guadalupe seconded. Motion approved with no discussion.
   c. Bob Freitag moved to approve the returning board members (no new members this year). Linda Yap seconded. Motion approved with no discussion.
   d. Slate of candidates recommended to the membership is attached.

B. Update on board liaison roles
   a. Athletic Liaison: Jerry Kerber will be stepping down when his term concludes this summer. Groves shared the process for selecting a new liaison. Athletic Council is a subcommittee of the Academic Senate and per senate guidelines, two alumni will serve on Athletic Council – one male and one female. Groves will find out the expectations of this role and will share with alumni board. This summer, with input from Athletics, we should recommend a candidate which the President of the University must approve.
   b. Bone Liaison: Linda Yap is the current liaison. The Honors Program which oversees the Bone Scholar selection process prefers that committee members serve a 3-yr. term.

C. Proposed dates for Executive Committee meetings 2016-17
   a. Members present provided Groves with input on identified dates, which will need to be confirmed with incoming President Tim Pantaleone.

D. Board committee survey and assignments 2016-17
   a. Consensus amongst members was that we should send out a survey to alumni board about committee membership and leadership interests. Groves will move forward with this.
   b. There was a request that the Awards committee be in place by June 1st because subcommittee chairs review candidates in June and deadline for selection is August.

E. Input on 6/18/16 board meeting agenda
a. The June 18th board meeting will begin at 9:30 a.m. start with the Annual Meeting following immediately. Lunch will be held at the Alumni Center. Groves has arranged for an optional tour of the Students Fitness Center.
b. Groves shared an idea for the September meeting – to ask Joe McGuire to coordinate a painting activity for board members as a Friday night social.
c. The January 2017 meeting will be held at Ewing Cultural Center.

8. Committee/Liaison Updates
   a. RED committee continues to work on bios and will work with Alumni Relations soon. Groves mentioned that the alumni office meets with academic college representatives every other month and this will be a good opportunity to share the completed bios.
   b. Half Century committee is moving towards changing to Redbird Prime. The purpose is to engage with individuals 55 and older year round by providing engagement, communications and knowledge about the university to these individuals. Please check out the Redbird Prime website. There was discussion about changing the criteria for royalty. Currently, king and queen are selected from graduates of 50 plus years.

9. Additional comments?
   Groves reiterated that the immediate task will be contacting alumni scholarship donors by June 10th. She will send a list to each Executive Committee member.

10. Confirm next meeting of Executive Committee
    a. Meeting will be confirmed once Groves has a conversation with Tim Pantaleone.

11. Adjournment
    a. Linda Yap moved to adjourn the meeting; seconded by Kathy Murdoch. Motion approved. Meeting adjourned at 6:40 p.m.
