

CUPCAKE TOPPERS

DIRECTIONS

- 1. Print:** For best results, we recommend printing on white cardstock.
- 2. Cut:** Use scissors or a circle punch to cut out the toppers.
- 3. Attach:** Use glue or tape to attach the cutout to a stick. We recommend lollipop sticks (found in the baking aisle), coffee stirrers, or small skewers.
- 4. Enjoy:** Push the lollipop stick into your cupcake and enjoy!
